

Something for Everyone

We offer a wide range of courses to meet the needs of every student.

Our wide variety of complementary/optional courses includes:

Art, Computers, Woods/Carpentry, Rocketry, Film Studies, French as a Second Language, Foods, Spanish, Visual Communications, Band, Drama, Outdoor Education, Soccer, Sports, Sewing, Recreational Sports, Elite Athletic Training, Student Leadership Program, and Hockey Program.

Our teaching and learning team is dedicated to inspiring success for every student.

We look forward to working together with you and your family in building an exciting future together in a stimulating, safe and nurturing school environment.

French Programs

École Leduc Junior High is proud to offer both French Immersion and French as a Second Language programs designed for all students from the beginner to the advanced student. ÉLJHS offers learning dynamics for everyone.

Come and learn to speak, read, and write French and learn about French culture in our country.

This year we will be planning our Eastern Canada trip. What an adventure it will be.

Learning Excellence

Our students have a very successful record of high academic achievement in all four core subjects:

- Mathematics
- Science
- Language Arts
- Social Studies

Principal's Message Un Message du Directeur

Welcome to our school.

Our dynamic learning team is committed to providing the very best in learning, personal development and achievement for our students.

ÉLJHS is dedicated to optimizing the potential in each of our learners and stimulating a quest for life-long learning and community service as responsible citizens with entrepreneurial spirit.

We look forward to you becoming a part of our learning community.

Sincerely,

Mr. Sean Flanagan

Vision and Mission

Inspiring success for every student

Our teaching and learning team is dedicated to providing a safe and caring learning environment nurturing exemplary learning and achievement for our students and community.

We are committed to working together as a team to provide a stimulating school environment conducive to learning and personal growth as engaged learners, and ethical citizens with entrepreneurial spirit.
